BY MR. L. J. BATEL "A mere type setter!"-still a man The world, perchance, may well revere; Unknown, uenoted, one who can Have nought to hope, and nought to fear Yet, where's the kingly sceptered hand, The brow that bears a princely gem,

"A mere type setter!" Let us ses Who gave the glorious stripes to air, That mark the banner of the free, And bound the stars that glimmer there! Who turned the bolt of Heaven saide, And conquered its otherial fire? Who bade the lightning barmless glide Along his magic wand of wire?

That wields so well a wide command-

Whose "stick" may match a diadem.

"A mere type setter!" Search the past, The records of each battle-field: Who nailed our colors to the mest, And died, because they would not yield? Who taught our hand to strike the blow, Through toil, and danger, and distress, That severed England's chain of woe-Who but the masters of the Pauss?

"A mere type setter!" Name of fear, To bid the slave to freedom wake-That tyrenny shall quake to hear, And old oppression's empire shake! is FRANKLIN'S forgotten name, That pren no longer may revere? Has PRENTICE lost his soul of flame, Or GREELY dropped his pen of fear?

"A mere type setter!" Honored name. That ages yet unborn shall bless, When empire crumble, and their feme Has sunk in worse than nothingness, Show me the thing whose jeers deride The "mera type setter's" humble school, And I'll show you an spe of pride As breinless as the DANDY FOOL!

The Grand Lodge of Pennsylvania, of Order of Odd Fellows, has now under its jurisdiction about 430 lodges. numbering about 43,000 members .-The increase of members during the past year has been about 5,000.

TO THE PUBLIC!

The introduction of Dr. John Bull's une qualled Sarsaparilla, has formed an era in the medical world. Its rise, progress, and the many wonderful cures it has effected, since it was introduced to the public, have been a sub-petite; Pain in the Side and shoulders; General ject of great astonishment, and even comman-ded the admiration of the American people. respectfully invite the attention of the public to his very large assortment just received and now opening. Importing largely, he is prepared to sell at a very small advance.—
Aiming at large sales and small profits, he can and will sell cheaper than any house in can and will sell for the very liberal patrise and progress, will no longer be a theme Twenty-six years since Dr. Bull, then a boy, came to Louisville, and was employed for a

number of years in studying the business of an Apothecary, with Messrs. Byers & Butler, Dr. T. E. Wilson, and the lamented L. George Jr., After leaving the service of Dr. Wilson, Dr. Bull was employed by Dr. F. Scorch, an old and celebrated German Physician of this city, and for many years, a Surgeon the Grand Army of Napoleon. Dr. Score during his life, made a fluid Extract of Sarsaduring his life, made a fluid Extract of Sarsamarilla for the especial use of the physicians
of this city, and which was considered at that
most inveterate cases of INFLAMATORY most inveterate cases of INFLAMATORY AND CHRONIC RHEUMATISM, is a suftime by far the most superior article made.— Dr. Bull was employed by Dr. Scorch, in compounding this celebrated Sarsaparilla, and he then conceived the idea and finally fully deduce all who are afflicted with this dreadful disease to try its virtues. termined (seventeen years since) to introduce at some future period, for the consideration of the afflicted, a preparation of Sarsaparilla. Since that time his mind has been constant

ly employed in studying the ingredients, and experimenting to find a complete, safe, and ing the same wherever tried. Many of those and pamphlets furnished gratis, by application as would be acknowledged by physicians as hope of recovery had been given up. While Sept. 26—1850. ratus generally;

as would be acknowledged by physicians as hope of recovery had been given up. While Percussion caps, German and English water undoubted in its efficacy, and hailed by the others were of more recent date; of the acute of the second of peals to the thousand certificates of its won-derful cures, and hence for its great superior. It is well known from the experience of the also, to supply jewels or any new parts of watches; ity over all other similar compounds. It is also, to alter lever escapements to chronom-therefore a matter of no surprise, that the It is past, that no outward application can possibly therefore a matter of no surprise, that the question is frequently asked—"Why does Dr. Bull's Sarsaparilla continue to advance rapidly in the favor and confidence of the public, obtained for a short time. But all the while when all other similar preparations, which this disease is fixing its grasp more permawhere preceded his, has been cast aside as un-worthy of the slightest notice?" Though it again develop itself in a more dreadful form, is not required yet this question is easily an-and after a few periodical returns, it settles swered. Dr. Bull has not worked alone for pecuniary preferment; gain has not been his sole object; he has had a higher and a nobler aim constantly in view—that of relieving the sufferings of his fellow-creatures. Unlike swered. Dr. Bull has not worked alone for into a chronic form, which, if not soon arresaim constantly in view—that of relieving the sufferings of his fellow-creatures. Unlike those who compound a good article for a short time that they may gain a reputation, and having attained the object of their wish, reduce their article, by leaving out its most valuable ingredients, to a worthless mixture, in order to accumulate wealth, Dr. Bull has continued to the properties of those who have passed under his immeniate notice and treatment during the last few months.

MORTIMORE'S RHEUMATIC COMPOUND AND BLOOD PURIFIER is an inverse of the properties of those who have passed under his immeniate notice and treatment during the last few months. ternal remedy—commences its operations where the disease first originates, and, in putinued to use the costly ingredients which his long study and experience enabled him to rifying the blood passes through the whole discover, and which has been of such invalva-ble service to suffering humanity. He seeks

to gain an unspotted reputation, not only for himself, but also for his renowned Sarsaparilla, and is a fact worthy to be recorded, that shall be warranted, and if persons are not pleased, the goods shall in all cases be paid years past he has been daily experimenting in administering his mixture, without charge, to patients pronounced incurable, and to his teernal fame be it recorded, his efforts have been crowned with the most wonderful success. His Sarsaparilla has now gained such a widespread reputation, and been established upon such a solid basis, that he is firmly satisfied of his undoubted merits, and confidently chal-lenges the combined Medical skill of Europe

plication can possibly effect a permanent cure, where this disease is firmly fixed in the sysand America to produce, out of Sarsaparilla, a superior to his Fluid Extract. tem. He can and does prepare and apply embrocation in very accute cases, which will give relief in one hour's time, but this will not Dr. Bull would here like to introduce a few of the many testimonials of the wonderful effects of his Sersaparilla, but to publish the effect a permanet cure. The nature of this disease is such that it requires longer time, one quarter of the astonishing cures effected and an internal remedy, to produce the de-sired effect, and Mortimore's Rheumatic Comby the use of this truly great medicine, would require a volume of five hundred pages, and the Doctor has to be satisfied by offering the opinions of a few distinguished men, believ-ing that these opinions will be sufficient to pound and Blood Purifier is the only remedy that has ever been discovered, either in Amer ica or any other country, that will effectually cure this disease. induce all who are afflicted to give Bull's sar-

saparilla a trial. TESTIMONIALS. The following is a verbatim copy of a certificate now in the possession of the proprietor of Bull's Sarsaparilla. Rev. E. W. Sehon is widely and generally known as an eloquent of the following Agents, who are supplied an accomplished Pastor of the M E Church. and Rev. E. Stevenson has been known as one of the most talented and zealous members that Commission and Produce Merchants, the Ky. Conference could boast of for many years-and at this time is filling the high and responsible station of agent for the M E Book

Can the world produce better, o more satisfactory testimony in favor of any Louisville, May 20, 1849. We have used John Bull's Sarsaparilla, and

have known it to be used with entire satis-faction; and we have no hesitation in stating that we believe it to be a safe and valuable medical compound, and calculated to produce much good, and relieve much suffering; and, therefore, would cheerfully and most earnestly Shirley, H. L. Boon and Dr. Hopson of Fayrecommend it to the afflicted.
[Signed] E. W. SEHON, [Signed] E. STEVENSON.

TESTIMONY like the following, renders Superfluous all comments on the efficacy of Bull's Sarsaparilla:
From Dr. L. P. Yandell, Prof. of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilia, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable." L. P. YANDELL, M. D. Louisville, June 6, 1850.

BETTER TESTIMONY than was ever offered in favor of any Medicine, From Dr. James M. Moore.

Mr. John Bull: I have no hesitation in say ng that I believe your Sarsaparilla, to be the best article ever nanufactured for the cure of Scrofula, Syphilis, and many other Cotaneous and Glandular Affections, having used it with entire success in a number of the above cases Louisville, Dec 26 '50 J. M. MOORE, M D What Dr. Pyles, Physician by appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla: -

Louisville, March 20, '49. I have examined the prescription for the preparation of John Bull's Sarsaparilla, and I Vine streets, where they have a large stock ative impression on the system. fine guns to order. EDWARD MEAD. 54 Main st., corner of Pine, St. Louis, Mo.

Look to You Interest. THE undersigned, has again the pleasure to imform the puble, that he is pre-pared to receive and forward Merchandise, as well as Produce, upon his usual accommoda.

ting terms. And as competition is rife, among the Merchants in Glasgow, in the way of selling their goods, I think it but just that some

disposition should be shown on the part of buyers of the products of the country. I, for one, amin the market, with ample means to purchase, Hemp, Wheat, Bacon, Lard, Flax Seed, Dry Hides, Feathers, Furs and Fruit, at liberal prices for Cash.

Very Respectfully,

J. W. HARRIS.

Glasgow, Jan. 23d 1851-6m. COLUMBUS INSURANCE COMPANY,

Columbus, Ohio. Capital \$300,000.

THE UNDERSIGNED have been appointed Agents of this old established Insurance Company and are prepared to issue all descriptions of Fire and Manne policies on the same terms charged by the local offices and agencies of St. Louis.

To shippers we will issue open policies covering all shipments of produce or merchandize to and from Glasgow and other ports in the United States that may be made during the season, and on settlement make a return of 12½ per cent on the whole amount of pre-miums paid. All losses will be liberally adjusted and promptly paid at the expiration of sixty days from the date of adjustment by the

indersigned at Glasgow.
We are also agents for the New York life Insurance Company and are prepared to take risks on a single life for from one hundred to ten thousand dollars.
